BRIEF ABSTRACT OF LETTER

Prays that for reasons mentioned in the petition that Govt. may approve of his nomination as successor to the Peetah of Sri Jain Mutt at Humcha in the permanent interests of the institution.

Petition from the same party

Prays that as some persons have arranged for the nomination of another person as successor, during the car festival to take place on 8.3.45 a stay order may be issued restraining the present head of the Mutt from nominating another individual as his successor.

NOTES AND ORDERS.

Submitted with the connected references.

(2) The facts of the case are contained in the notes of Muzrai File No 353-42, which led to the issue of the order dated the 14th Oct 1943, referred to in para 1 of the petition. (Pages 19-33 of the Collection

at Humcha to select a successor to the Swamy, was held and it was decided to select Sri Parshwasagara Swamy, a brahmachari studying at Sravanabelagola. He was accordingly given deeksha, making him a sanyasi, by the performance of a formal ceremony and he was given the name of Sri Payasagaraswamy. Later on, he toured all over the country and studied at Indore acquiring higher knowledge and returned to the Math thereafter.

(4) At about 1930 there was a move on the part of some of the disciples of the Mutt for the nomination of another person as the successor to the Swamy of the Mutt. The rival disciples petitioned the D.C. Shimoga and the M.C. protesting against the second nomination. The matter was enquired into and the local officers considered that the nomination of Sri Parshwasagara Swamy as Vicharaswamy, amounted to his nomination as the actual successor to the Peetah of the Mutt. The D.C having recommended the recognition of Sri Parshwasagara Swamy as the successor to the present head of the Mutt, the M.C. supported his recommendation and proposed that the D.C's recommendation may be given effect to because the aged Swamy himself had nominated him and because he was well qualified for the high office.

(5) The Swamy approached Govt. seeking their sanction to his nomination of another person. This question was thoroughly examined by Govt. and they were pleased to observe that they cannot agree with approval the Swamy's making a second nomination, when nothing definite had been proved against the first nominee (Sri Parshwasagara Swamy). They therefore decided that the Swamy's request to sanction his second nomination cannot be complied with and that they cannot

accept the view put forward that Sri Parathwasagara Swamy was not selected as a nominee for the succession to the Peetah and that he is unfit for the office. The M.C. was asked (in this Office letter No. R 42/Miscl 353-42-6, dated the 14th Octr 1943) to inform the Swamy accordingly

(6) It is now alleged that a set of people have already removed jewels worth about Rs 20,000/= from the Temple at Humcha under the pretext of getting them repaired and that they have now proposed to nominate another person as successor during the ensuing car festival at Humcha on 8.3.45. It is therefore urged that in order to prevent the interests of the institution being jeopardised by the action of these people, the applicants nomination may be approved. It is also urged in the second application (submitted as per rules) that a stay order may issue pending orders of Govt on the first application.

(7) Govt have already recognised the nomination of the applicant as the successor to the Peetah of the Mutt. and have refused to recognise the nomination of a second person. This order has been communicated to the head of the Mutt. So, no question of recognising his nomination anew arises. If it is intended that his (applicants) actual succession to the Peetah may be recognised no reference to the acceptance of successors during the life time of the heads of other similar institutions in the state evidently implies this. The question of the present Swamy actually relinquishing his office arises. And such relinquishment must be voluntary, otherwise he cannot be forced to give up his post, unless his incompetence to manage the affairs is proved.

(8) If as alleged, some unscrupulous persons are taking advantage of the swamy's dotage and are acting in such a manner as to harm the interests the institution, it will have to be taken under Govt. management, under Section 25 Sub Section 3 of the Act Before this can be done, however, an enquiry will have to be ma

under Section 26 of the Act.

(9) Whether such an enquiry is necessary in this case and whether an order restraining the parties concerned from nominating a third person, as alleged, may issue as prayed for, are for consideration.

[10] The applicant seems to be needlessly apprehensive of the contemplated nomination in so far as his position in respect of the Mutt is concerned]

Subd 5/5/45 6/5 (11) The petition may perhaps be sent to the M.C. for a report. The order passed by the Minister on 16.9.44 did not specifically require any of the future trustees. So merely said that he was glad to hear that the Swamiji was making a second nomination.

Issued No.R.115, dated the 12th July 1945 - To the Mysore Commr. [13]
Rs his representations for consideration before submitting report.

Application dated the 11th July 1945 presented to the Minister for Agriculture by Sri G.D Padmaiah of Sravanabelagola. praying for an interview to represent certain facts relating to Sri Jain Mutt at Humcha.

As Orders of the Minister on the application

Monday 16th : 3.30 p.m — Secy. for a note and reference

Intd. M.I.S. 12/7.

(26) Sri Jain Mutt at Humcha is an ancient and well-known institution, held in esteem by a large number of disciples bi in side as well as out side the State. Attached to the Mutt is the Shrine of Sri Padmavathi Devi, which is in enjoyment of Devadaya Inam lands besides Free sandalwood Grant from Govt. The head of the Mutt enjoys certain honours conferred by Govt.

(27) Sri Devendra Keerthi Bhattaraka Swamy, the head of the Mutt who passed away on 11.6.1945, is stated to be a Jamilian who succeeded to the Gadi about 25 years ago. During the month of December 1931 certain leading members of jain Community belonging to several places – near and far – assembled at Humcha in connection with some 'utsava', and conducted a meeting to nominate a successor to the peetah of the Mutt as the Swamiji was getting old and feeble. Among the three persons who were considered competent for the post, Sri Arhaddas Brahmachari of Karkala & Kamara, hail from Sravan belagola where he was undergoing religious studies, was selected and appointed as Vicharaswamy. In pursuance of the popular choice, the head of the Mutt formally inducted Sri Arhaddas Brahmachari into Sannyasa after which he is known as Sri Arhaddas Payasagaraswamy. He toured in North India and prosecuted higher Studies in jain Siddhanta viz Nyaya, etc. After the completion of his Studies he returned to

affairs.

(34) Some time later for some reason or other, some of the disciples of the Mutt wanted to oust Sri Payasagara Swamy and get another person nominated as the successor to the peetah of the Mutt. The matter was brought before the D.C. Shimoga in the usual course, who made necessary enquiries and came to the conclusion that Sri Payasagara Swamy was the nominated successor. The M.C. therefore sought sanction of Govt. to recognise ~~the younger Swamy~~ as successor.

(35) Against this proposal, the Agents of the ~~elder~~ Swamy petitioned Govt. not to approve the proposal of the M.C. alleging that Sri Arhaddas Swamy was only entrusted with the duties of a manager of the Mutt, at the meeting held in 1931-32, that he had subsequently earned the displeasure of the head of the Mutt on account some improper activities and that he had been turned out and adding that new successor had been appointed by the Swamiji.

(36) After considering all the aspects of the case Govt. replied to the M.C. that only when the peetah falls vacant Govt. need express their approval of the successor, that they cannot view with approval a second nomination by the Swamiji particularly when nothing definite has been proved against the first nominee, and that ~~they~~ Here cannot accept the view put forward that Sri Payasagara Swamy (alias Parthasagara Swamy) was not selected as a nominee for the succession to the Peetah. (This office letter No. R. 42/Mwz 353-42-6, dated 14.10.43).

As the Swamy has passed away and the question

of appointing a successor has become urgent. representations are being received from disciples belonging to two parties the one supporting Sri Ashaddas Swamy, and the other opposing him. The latter still contend that he was not at all appointed as successor by any body at any time, and that some suitable candidate nominated by them should be recognised as the Successor. All these representations have been referred to the M.C. for report. His report is awaited.

(32) The connected papers (Mwz. File No. 353-42) are put up. The notes in the file contain further details regarding the history of the case. The signatory to the present application is one of the Agents of the deceased Swamiji, who is against the appointment of Sri Ashaddas Swamy

(43)

(38) Draft Endorsements to Sagara P. Jinadattappa and G.D Padmaiah are put up for approval – refer paras 33-38 supra.

The telegrams addressed to the Minister and the P.S to H.H as well as the resolution dated 8.7.45 passed at Shimoga Through Jinadattappa, all reiterate what has already been urged by the antagonists of Sri Parshwasagara Swamy. These may be retained in this office, the M.C. being asked to expedite the report. Refer para 35 supra.

(40) The M.C. reports in his letter dated the 16th July 1945 that the Amildar has been directed by the D.C to take charge of the moveable properties of the Mutt and that he (Amldr has commenced the work of assuming charge with

the assistance of two officials from the Taluk Office at Hosanagar. This amounts to taking possession of the institution and its properties, temporarily, under subsection 2 of Section 25 of the M.R. C.I. Act. Further, it is seen from the M.C's report that 5 private persons have been chosen by the D.C. to form a committee of Dharmadarshis with the Amildar as convenor, to look after the affairs of the Mutt till the appointment of a successor to the Peetah of the institution.

(A1) The five persons thus chosen are evidently all jains. One of them is S.P. Jinadattappa who is an active member of the party of disciples who are opposed to the succession of Sri Parshwasagara Swamy. It is not known how many of the remaining 4 persons belong to the party who support the appointment of Sri Parshwasagara Swamy as the head of the Mutt. The Swamy was residing at Humcha, and may in all probability be there even now. He has been excluded from the committee of Dharmadarshis now proposed, although he has been working as Vicharaswamy - Successor to the Peetah - or even merely as Manager as contended by the opponents. It seems to be proper to include him also on the committee. It would also be desirable to include competent non-jain Members on the committee who are not interested in taking sides, leaving only one, or, at most, two jains belonging to each of the two contending parties, so that one party may not take advantage of being Dharmadarshis to bring-in undue influence in the management of the affairs of the institution, to their advantage, and act thereby prejudicially against the other party, regarding the appointment of a successor to the deceased Swamy.

(A2) The question of appointing a committee of Dharmadarshis therefore seems to require further examination before orders are issued. Subs. with reference to para 36 of the notes supra -

Letter No. M.I.C. 1030/44-45, dated the 12th June 1946, from the Murrai Commissioner in Mysore, forwarding copy of the report of the D.C., Shimoga dated the 15th March 1946, furnishing details of enquiry conducted and findings arrived at by him and stating opponents of Shri Parshwanatha.

suit before the District Judge, Shimoga Division, to obtain a declaration against the ~~Successor~~ treatment of the swamis as to the Peetah of the Mutt it is better to wait for the result of the suit before a decision is taken by Govt on the applications of the two parties

Petition dated the 23rd July 1946, from Shri Parshwa Sagara Swamiji through his Counsel, praying that Govt. may be pleased to expedite orders regarding the appointment of the Head of the Mutt and that before final orders are passed he and his Counsel may be afforded an opportunity to be heard.

Petition dated the 25th July 1946, from Sagari P. Gundaltappa and D.K Nabhirajaiah through their Counsel stating that as there was an inordinate delay in the disposal of the enquiry before the D.C, Shimoga, they had to file a suit (No. 31 of 1945 46) before the District Judge, Shimoga, for a declaration that the Respondent (Shri Arhadas Parshwasagara Swamiji) had not been appointed as successor to the Peetah of the Mutt - and praying that before orders are passed on the report of the D.C they may be heard.

(11) The report of the M.C. and the D.C. are for perusal and orders.

(12) The M.C. states that a separate report

would be subd. on the allegation that jewels worth Rs 20,000/= pertaining to the Mutt, have been removed by one of the contending parties

(73) The D.C. states that as two supporters of Shri Parshwasagara Swamiji have already been nominated as members of the Committee of Trustees looking after the affairs of the Mutt for the time being, it is not desirable to appoint the Swamiji as an additional member. The D.C. has however not clarified who these two supporters are. The interim arrangements made by the D.C. for the management of the Mutt, indicated in the M.C's report dated the 16th July 1945, requires ratification of Govt.

(74) Whether the decision on the suit filed before the Dt. Judge of Shimoga Dist. is to be awaited for passing orders on the applications filed before Govt. is for consideration

20/1/46 20/1/46 (76) There are 3 Qrs involved in this file first about Succession to the Peetha which is vacant. the Swamy passes away without interfering with his original nomination. (77) The matter having come up before Govt at a stage when the late Swamy was alive, the Govt considered that the Qn. of Succession would actually come up after the place becomes vacant but however considered that Sri Parswanatha Swamy was the nominee of the late Swamy. Till the approval to the nomination is obtained from His Highness, the nomination of any one to the Peetha cannot be said to be complete.

(78) Before the Qn. of obtaining approval was a matter of fact during the life time of the late Swamy, two contending parties among his disciples there came into being two opposite parties among the disciples one in favour of Sri Parswanatha Swamy becomes opposing his nomination. Several Memorials and representations have been made by both the parties and the matter is still undecided. The D.C. who enquired into these representations is of opinion that Sri Parswanatha Swamy was the person who was specially selected to the Peetha and in the absence of any other

(79) The D.C. does not furnish his definite opinion but only adds that some deciples who oppose the nomination of Sri Panswasapara Swamy have filed a suit for a declaration that the said Swamy was not appointed successor & that he is not a fit person and proper person to succeed to the Peetha He therefore considers that it is inexpedient to come to a decision about this Qn during the pendency of the litigation.

(80) Though the position regarding nomination is clear, it is perhaps desirable that the decision of the suit may be awaited as stated by the D.C.

for the management of the estate the D.C. has taken charge of the estate temporarily under Clause (2) of Section 25 of the Religious & Charitable Endowments Act and has chosen 5 persons to form a Committee with the Amildar as the Convener to look after the affairs of the mutt till a Successor is appointed. On a query raised by Govt. that Sri Parswanatha Swamy may be associated with the management the D.C. considers that it is not desirable to appoint him as a member of the Managing Committee so long as the question of his nomination to the Gadi is pending. He however states that 2 gentlemen among his supporters may perhaps be accepted due to his interim action in setting up a Committee as above may perhaps be upheld till the question of a Successor is finally decided. The matter is pending in the present Committee. The members agree with him.

Final note by the Minister for Revenue and Communications.

Subject:— Appointment of Sri Arhaddas Parshwasagara Swamy as the successor to the vacant Peeta of the Jain Mutt at Humcha in Hosanagar Taluk.

===

1. The Jain Mutt at Humcha, Hosanagar Taluk, is an ancient institution. The Head of this Mutt enjoys certain Honours; and the temple of Sri Padmavathi Devi attached to the Mutt has been endowed with Devadaya Inam lands and also enjoys free supply of sandalwood every year. Sri Devendra Keerthi Bhattaraka Swamy, the Matadhipathi having become old, the disciples of the Mutt who had assembled at Humcha during the month of December 1931, decided at a meeting held in the Mutt, to select Sri Arhaddas Parshwasagara Swamy, a Brahmachari studying at Sravana-belagola as the successor to the Matadhipathi.

2. Sri Bhattarakaswamy acknowledging the choice of his disciples reported to be based on the prasada obtained from the temple of Sri Padmavathi Devi, gave deeksha to the nominee and initiating him into Sanyasa Ashrama under the name of Sri Paya-sagara Swamy appointed him as Vicharaswamy. Subsequently, the Vicharaswamy toured all over the country and after studying at Indore returned to the Mutt acquiring higher knowledge.

3. In 1939, there was a move on the part of some disciples of the Mutt for the nomination of another person as the successor to the Head of the Mutt. The supporters of Sri Parshwasagara Swamy having petitioned the Deputy Commissioner, Shimoga District, protesting against the second nomination, the matter was enquired into and the local officers came to the conclusion that the nomination of Sri Parshwasagara Swamy as Vicharaswamy amounted to his nomination as the actual successor to the Head of the Mutt. The Deputy Commissioner having supported the findings

findings of the local officers, the Muzrai Commissioner recommended that as the aged Matadhipathi himself had nominated Sri Parshwasagara Swamy and as the latter was well qualified for the high office, he might be recognised as successor.

4. The Head of the Mutt, however, under the influence of those who opposed the succession of Sri Parshwasagara Swamy, approached Government seeking their sanction to the nomination of one Sri Pala Brahmachari of Tachur. The then Minister for Revenue and Law minuted as follows after hearing both the parties:

"After hearing the Advocate for the Sri Swamigal and Mr. H.P.A. Jain who appeared for the counter-petitioner and perusing the records of the case, I think that the view taken by Messrs. Seshadri and Sundara Rao that at the meeting held in the Mutt on 27-12-1931 the counter-petitioner was selected as successor to the Peeta is correct. The Advocate for the Sri Swamigal urged that the Counter-petitioner was on that occasion appointed only as Vicharaswamy to look after the affairs of the Mutt. It is neither necessary nor usual to appoint a young Brahmachari as Manager, neither is it usual to place the nominees before the deity and seek an expression of preference for one of them. The proceedings show that what was meant was the selection of the future occupant of the Peeta. There is a considerable volume of evidence in favour of this view.

"According to the rules now in force, every succession to a Mutt enjoying Government grants in land or money or honours should receive the approval of His Highness the Maharaja and such approval should be obtained ordinarily beforehand. In the present case, the question of succession has not yet come up for decision. It is only when the Peeta falls vacant by the demise of the present incumbent that Government need express their approval of the successor. The present Swamigal contends that the choice of his successor is within his unqualified discretion, but quite inconsistently, he wants approval of Government to his second nomination. We cannot view with approval the Sri Swamigal making a second nomination, particularly when nothing definite has been proved against the first nominee.

"The Sri Swamigal may be told that his request to Government to approve his second nomination cannot be complied with and that on the ~~avi~~ available material before them, they cannot

cannot accept the views put forward that the Counter-petitioner was not selected as a nominee for the succession to the Peeta and that he is unfit for the office".

5. The then Dewan having agreed with the above views, the Muzrai Commissioner was asked to inform the Swami accordingly in letter No. R. 42/Muz. 353-42-6 dated the 14th October 1943.

6. As Sri Bhattarakaswamy subsequently passed away, the nominee, Sri Parshwasagara Swamy petitioned Government praying that he might be recognised as the successor to the vacant Peeta of the Mutt. Soon after the demise of the Swamy the Deputy Commissioner, Shimoga District, took charge of the Mutt and its properties temporarily under clause 2 of Section 25 of the M.R.C.I. Act, and appointed a Committee consisting of five persons with the Amildar of Hosanagar Taluk as the Convenor, to look after the affairs of the institution pending the formal appointment of a successor. This Committee has since been enlarged by the inclusion of three more members, of whom two are non-Jains and the other a Jain supporter of Sri Parshwasagara Swamy.

7. The opponents of the nominee, in the meanwhile, filed a suit before the District Judge, Shimoga Division, for a declaration that Sri Arhaddas Parshwasagara Swamy is not the appointed successor to the Peeta of the Sri Jain Mutt at Humcha, that he is not a fit and proper person to be appointed as such, and that one Sri Pala Brahmachari Swamy is the properly appointed successor to the Peeta, or in the alternative to declare that the right of selection of the successor vests in the disciples of the Mutt. This suit (O.S. No. 31 of 1945-46) was dismissed by the District Judge on the 30th November 1946 with the decree that the Plaintiffs should bear the costs of the Defendant.

8. The civil suit filed by the parties against the nomination of Sri Parshwasagara Swamy having been dismissed, action

action had to be taken to appoint a successor to the Mutt. No developments have taken place since to modify the view taken by Government in 1943 in regard to the selection in 1931 of Sri Parshwasagara Swamy as the nominee for succession to the Peeta and I consider, therefore, that the said Sri Parshwasagara Swamy, who is reported to be well qualified to hold the high office of the Matadhipathi, may be recognised as the successor to the Peeta of the Jain Mutt at Humcha in Hosanagar Taluk.

9. The Minister for Education and Public Health who is in charge of the current duties of the Dewan agrees with this view and I solicit His Highness' gracious approval to the above proposal.

The petitioner above-named most humbly and respectfully begs to state as follows:-

1. The petitioner was duly selected as successor to the Peetha of Sri Jain Mutt at Humcha, Hosanagar Taluk, Shimoga District, about 14 years ago, at a meeting of the Sisyas in the Mutt. There were three candidates and lots were cast before the diety Sri Padmavathi Devi and the petitioner was selected only as Vicharaswamy or Manager as per Prasade of the diety. In this matter the present Swamy contended that he was selected only as Vicharaswamy or Manager, but after enquiry two Deputy Commissioners of Shimoga District have accepted and reported that the petitioner was selected as the successor to the Mutt Peetha. The Muzrai Commissioner has also agreed with them. The Government has also been pleased to accept that view, as per Chief Secretary's letter No. R. 42/Muz. 353-42-6 dated 14-10-43, addressed to the Muzrai Commissioner, as correct.

2. Ever since the selection the petitioner has been working for the Mutt. Since the last one year he has been permanently residing in the Mutt and has also been conducting a Sanskrit School there, styled Sree Parswanatha Dharanendra Padmavathi Siddhantha Vidyalaya..

3. The present Swamiji has become very old and infirm and is easily swayed by some scheming and self-interested persons like Nagarajiah and Puttappaji.

4. These persuaded him to put forward another subsequent nominee, named Sreepala Bramhachari, but Government has been pleased to disapprove of it in the above-mentioned reference.

5. The same set of scheming persons recently visited Hunche and seem to have persuaded the present Swamiji to nomi[illegible]e another person as successor, during the ensuing car festival, which is to take place on 8-5-1945, though a second nomination has been specifically prohibited in the Government order referred to above.

6. The deity possesses very valuable jewels and the persons who had come there have recently taken about Rs.20,000/- worth of jewels from the Mutt outside the State, to Shanapur, under pretext of getting them repaired.

7. On being questioned by the petitioner

the

the present Swamiji expressed his helplessness in the matter and he seems to be unable to resist the doings and schemes of these designing persons and the interest of the Mutt is being permanently affected.

8. In order to bring things in the Mutt under control and to manage the affairs efficiently it is necessary that the Government should be pleased to approve of the petitioner's nomination as successor to the Peetha immediately instead of post-poning it till the demise of the present swamiji, whose physical powers, being 80 years old, are daily decreasing and becoming next to nil.

9. The acceptance of a successor during the life time of the present Swamiji has been made in other similar Muzrai Institutions in the State and is indeed the rule in order to avoid trouble and safe-guard the interests of the Mutt in advance.

10. It is therefore prayed most respectfully that the Government may graciously be pleased to approve of the petitioner's nomination as successor to the Peetha of Humcha Mutt and thus put an end to the schemes of designing people, who are playing upon the weakness, in mind and body, of the old swamiji and endangering the permanent interests of the Mutt and its disciples.

Muzrai Petition No. 13 of 1944-45

Petitioner:- Sri Arhatdas Parashasagara Swamy, Resident of Humcha, Hosanagar Taluk.

The petitioner above-named most humbly and respectfully begs to state as follows, in continuation of his petition dated 24-2-1945:-

1. That, on 11-6-1945 at 6 P.M., the present old Swamy of the Matt passed away.

2. That the present petitioner has been duly selected as successor to the Peetah of the above said Sri Jain Matt at Humcha, Hosanagar Taluk, Shimoga District, as long back as 14 years ago, has been accepted after enquiry by two Deputy Commissioners and approval by Muzrai Commissioner, by the Government in their letter No. R. 42/MuZ. 353-42-6 dated 14-10-1943 addressed to the Muzrai Commissioner.

That wherefore the petitioner humbly prays, now that the old Swamiji is no more, that his selection as successor to the Peetah of the above Matt may kindly be approved, as the only objection so far felt by Government, that the recognition of the successor during the life time of the present swamiji was premature, has now been removed.

Rememorandum No. 4030/44-45
dt 16/7/45

Sir,

We the undersigned beg to bring to your kind notice the following and pray for early orders:-

1. We understand that the Bhattaraka Sri Devendra Keerthi of Humcha Mutt died on 11-6-1945 and in the absence of his successor, namely, Sri Arhadas Parswa Sagar Swamijee who was on tour the local Amaldar locked up the Mutt and took into his custody the affairs of the Mutt.

2. That after the return of the said successor to the Mutt on the 16th inst. he seems to have been kept out and the affairs of the Mutt now seems to have been taken in hand by the Deputy Commissioner of Shimoga.

3. While we are highly thankful to the authorities for taking immediate action to safeguard the interests of the Mutt and the Temple and Bhandaram of Sri Padmavathi Amma Devaru, we respectfully bring to your notice that it is proper and highly desirable that the affairs of the Mutt should be made over without delay to the said successor Sri Arhadas Parswa Sagarji, who was recognised as the rightful claimant to the Gadi by reason of his public adoption by the deceased Swamiar after elaborate enquiry that finally ended with proceedings of Sri Rajamanthrapravina K. V. Anantharaman, B.A., Minister for Revenue and Law. Some of us were consulted by the Deputy Commissioner of Shimoga during the course of enquiry.

4. We are pained to hear that certain people who started mischief and who were responsible for the above

proceedings are now getting themselves busy to try another chance of getting into the affairs of the Mutt which we hope will not be encouraged by the Government of His Highness the Maharaja of Mysore in the interests of the institution which is dear to our hearts and of which we are also the worshippers.

5. The said Mutt has a sub-Mutt and vast properties at Varanga in this district of South Kanara paying Land revenue of nearly Rs1,000/- and there are thousands of Sisyas attached to these Mutts in this District as well.

We will value highly and thank you for immediate action in this matter of this public and religious importance as the Head of the Government of His Highness the Maharaja of Mysore.

30.6.45

May it please Your Highness,

I and hundreds of Jains of South Kanara District are the Sisyas of Humcha Mutt and worshippers of Shri Padmavathi Amma Devaru of Humcha. The Mutt owns vast properties in Your Highness' State and in the District of South Kanara at Varanga and Haleangadi, paying Land revenue of more than rupees one thousand. There is a sub-mutt at Varanga as well.

The Bhattaraka Sri Devendra Keerthi of the said Humcha Mutt died on 11-6-1945 suddenly without any illness while his successor Sri Arhadas Parswasagarji was on tour collecting funds for the Ashram which he has been running at Humcha.

I understand the local Amaldar proceeded to the Mutt on receiving report of the circumstances and was pleased to lock up the Mutt and seal the valuables.

The successor Sri Arhadasji seems to have returned to the Mutt on the 16th and on the 17th instant the Deputy Commissioner of Shimoga seems to have visited the Mutt and made arrangements for the daily poojas in the Mutt and in the Temples and that he was given co-operation by the local people in maintaining order and

safeguarding the interests of the Mutt and the attached temples.

It is most gratifying to note that Your Highness' Government are taking keen interest in all matters connected with religious institutions and practices without fear and favour and are exhibiting keen interest in maintaining and developing Hindu Culture and practice.

Sri Arhadasji was appointed successor to the Gadi by the deceased Swamiar some years ago, after taking "Pushpa" at the shrine of Shri Ammanavaru and in the presence of a big Jain Congregation, while there were one or two other candidates. Since that date Sri Arhadasji took Deeksha and spent several years in Northern India in studying Hindi, Sanskrit and Jain religion. He is very learned in all those languages and has passed the Nyayathirtha Examination of the Calcutta University. While he was so absent some mischievous elements in the Jain Community started agitation denying the selection of Sri Arhadasji by the Humcha Swamiar and instigated the late Swamiar to adopt another. At this time certain well-wishers of the Mutt sent a petition to Your Highness' Government and on that an elaborate enquiry was held and respectable men were consulted by the Deputy Commissioner of Shimoga, Sri Arhadasji was also examined by him. This enquiry finally ended in the proceedings of Sri Rajamantrapraveena K. V. Anantharaman, B.A., Minister for Revenue and Law of Your Highness' Government.

The order of the said Minister recognised the fact

of appointment of Sri Arhadasji to Humcha Gadi and directed the late Swamiar not to nominate any other without the permission of Your Highness' Government.

I understand that now, after the death of the Swamiar, the very same persons are busy and are going about canvassing support to oust Arhadasji, the rightful claimant to the Gadi and to elect a new man to the Gadi.

If Your Highness were pleased to examine the records of the enquiry referred to above, I have no doubt in my mind that Your Highness would come to the conclusion that Sri Arhadasji is highly desirable person to the Gadi and that he was lawfully nominated to it.

The confusion that has now occured immediately on the death of the late Swamiar has given a fresh handle to the mischievous people to shroud the rights of Sri Arhadasji.

I humbly pray Your Highness that Your Highness may graciously be pleased to direct that justice to the successor Sri Arhadasji may be done and the affairs of the Mutt might be handed over to him, for which act of justice and kindness, I shall ever remain grateful to Your Highness.

I beg to remain,

Your Highness' most obedient servant,

Dharmastala,

Respected Sir,

Subject:- Appointment of Swamiji to Huncha Jain Mutt Hosanagar Taluk, Shimoga District after the demise of the late Devendra Kirthi Bhatarak Pattacharya Swamiji on 11th June 1945

We. the disciples of the Jain Huncha Matt beg to submit the following for your kind consideration:-

1) The late Devendra Kirthi Bhatarak Pattacharya Varya Swamiji, expired on 11th June 1945. The Peetha(Seat) is at present vacant and we hear that one Arahaddas Parswasagar Swamiji claiming to be the successor of the late Swamiji, though he was never appointed as successor to the Peetha either by the late Swamiji or any body else, has applied to the - Government for occupying the Peetha by him.

2) The disciples of the Mutt met at Bangalore on 1st July 1945 to consider the question of the appointment of a suitable successor to the late Swamiji.

3) The alleged Arahaddas Paraswasagar Swamiji is not a proper successor to the late Swamiji. The disciples have looked into the records of this Mutt and there is definite and clear evidence therefrom to show that he was never appointed as such by the previous swamiji nor by the disciples-In the year 1931, He was appointed only as Vichara Swamiji i.e. a Deputy to administer the religious duties and to collect Gifts. But as he was not found to be a proper and fit person, the late swamiji dispensed with his services. After that, Arahaddas Paraswasagar Swamiji, left the place once for all.

4) We the disciples apprehend that he is trying force his way as a successor to the Peeta. We humbly pray that the said Arhaddas/Swamiji Paraswasagar should not be recognised as successor and we request that the voice of the disciples of the Mutt be given preference as provided in the Mysore Manual and proper swamiji to be who has the approval of the disciples be approved by the Benign Government of His Highness the Maharaja of Mysore.

Vacancy in Humcha Jain Mutt, - recognition of the successor Shri. Arhadas Parswa sagara Swamijee.

Dear Sir,

The Bhattarakar of Humcha Mutt(Shimoga Dt.) Shri Devendra Keer Swamier died on 11-6-1945 and the succession has now opened to Shri Arhadas Parswa Sagara Swamiji who was given deeksha and adopted a s a successor by the late Swamier in accordance with the custom of the place.

2. A dispute however was raised after some years of that adoption in stray articles in the Jain press by certain interested persons claiming to advise the late Swamier to adopt a new successor the earlier adoption of Shri, Parswa sagarji explained away as for entirely for a different purpose.

3. I was obliged to bring this affair to the kind notice of Sir, Mirza Ismail, the then Dewan, who immediately ordered for an enquiry The enquiry ended with a report establishing the fact of adoption of Sri. Parswa sagarji and the late Swamier was ordered by the Government not to take any one else in adoption without the permissi of the Government. The deputy Commissioner of Shimoga conducted this enquiry.

4. The party claiming to advise the late Swamier being dissatisfied at the decision of the Government seems to have taken a power-of-attorney from the late Swamier to represent him and to adopt a new successor after his death. The late Swamier being an old man seems to have been prevailed upon to sign that power-of-attorney and this party seems to be busy in hatching plans to get over the claims of Sri Arhadas Parswa sagarji.

5. The Humch mutt is very sacred to Jains residing in the state of His Highness the Maharaja of Mysore as well as out side it in the Country just as Sravanabelugula. This Mutt in fact has a sub-mutt and vast properties in the district of South Kanara and sisyas in the Mysore State as well as in the presidencies of Bombay and Madras The Humcha AMMANAVARU to which the Bhattaraka of Humcha Mutt is inti mately connected is a deity worshiped by every Jain in this district All these Jains will consider it a great favour if you would kindly settle this question at your earliest convenience.

6. Shri, Arhadas Parswa sagarji is learned in Kanarese, Hindi, and Sanskrit. He has passed the Nyayathirtha examination of the Universi of Calcutta. After his return from northern India, where he stayed for his education after obtaining Deeksha from the late Swamier, opened a residential school for Jain and non- Jain boys at Humcha under the name Sri. Parswanatha Dharanendra Padmavathi Vidyalaya where in there are more than 20 boys ~~are~~ reading under two teachers. I understand while he had gone ~~to~~ to collect funds to feed those boys the late swamier died and the local officials came and locked up the Mutt. And since then the Mutt is under lock and key.

7. I wish to bring to your kind notice that I have known Parswa sagarji for the last ten years or more, he is learned, ious, and interested in the upliftment of the Jaina Community. For all that

I know it is impossible to get/in our communi y
as ably as with Sri. Parswasagarji:

I earnestly request you to call for the records of the case above stated and kindly pass orders removing all doubts in the mat and thus make the position clear and thereby avoid unnecessary liti and help the Jain community to perform the Pattabhi sekam of Sri P for which act of kindness I shall feel grateful.

Thanking you,

Yours sincerely,

Subject:- Prayer/seeking permission for conducting "Pattabhishekam" to Sri Arhaddas Parshasagara Swami - in the Matt (Jain Matta) of Hombuja (Humcha) in Hosanagar Taluk, Shimoga District, to the Peetaha now vacant owing to recent demise of Sri Devendra Kirthi Swamigalu.

May it Please His Highness,

I, Hombannanavara Hombanna, "Sarasangami" of Hombuja Matt, now residing in Haveri, most humbly and respectfully beg to showeth the following for His - Highness's Gracious consideration.

Sri Devendra Kirthi -Swamigalu of Hombuja Jain Matt passed away in June 1945. In the old age of the said Swamiji and after his recent death, certain - persons, have been causing annoyance to the well-wishers of the Matt by publishing in news papers and by submitting petitions to the authorities, certain matters leadingg to the apprehended fall of the Matt. I have learnt - recently of this unnecessary and unwarranted acts of the persons posing to be interested in the Matt.

I beg to lay the fact that as "Sarasangami" I have a right to perform the "Pattabhi-shekam" to an individual nominated by the deceased said Swamiji of the said Matt. I may be further permitted to submit that in cases where Swamiji does not nominate (i.e.

right to appoint a new Swami to the Peetah and to carry on Pattabhishekam. For this right in existence from time immemorial I possess Dakhlas. This right is also recognised as custom and the aged gentlemen round about Humcha are aware of the same. Such being the hard and true facts any Sishya or desciple of the Matta who has been carrying on mispropaganda about the affair has no right to appoint a Swamiji to the Peetah or to act contrary to my rights.

Any how at present there is no need to appoint afresh any Uttaradhikari to the Matt as already there is one viz, Sri Arhaddas Parshasagars Swami who is in the said Matta and who was duly given "Dikshe " by the deceased Swamiji. This Uttaradhikari is learned, a geneous to occupy the Peetah. This holy person is residing in the Matt(over 15 years past) and has been running a Sanskrit Pathasala for the advancement and benefit of all residing in that Hombuja Kshetra, round about that place, and the Society at large, and the Jains and desciples of that Jain Matt. This person has done good deeds by reconstructing the old temples in that very Humcha and has all through been striving hard for the advancement of the Matt.

Mis-propaganda against this Uttaradhikeri started while the deceased Swamiji was very very old in age, by certain unworthy Sishyas for their own self-benefit No doubt during the life time of Sri Devendra Kirthi Swamiji disputes went on in the matter and it went up to the benign Government and on detailed enquiry and after recording statements of worthy desciples and persons, the benign Government have opined in their order (a copy of which is herewith produced for gracious perusal) that there is no need to cancel he 'Dikshe ' bestowed to Sri Arhaddas

Parshasagara Swamiji

Parchasagara Swamiji and have thereby recognised that the said Swamiji is the rightful Uttradikari of the Matt.

In the light of the above to carry on such mis-propaganda and to cause to the future of rightful deeds to the detriment of the Matt, it is most respectfully submitted does not suit a person of right - goal.

copy of the order of the benign Government in this matter while the deceased Upadi was living and the other Shankaracharya in pursuit of my rights as Vidyasangami are herewith produced.

I therefore beseech your loyal generous Highness to accord me permission to carry on the - Pattabhishekam or brahmin class [illegible] mi[illegible] to the vacant gaddi of the Kumbuj Matt under - Sastra Vidhana' on an auspicious day which will be fixed in usual course.

I beg leave to add that the facts herein it appears, been brought to your [illegible] notice.

Letter No.R.42/Muz.353-42-6 dated 14th Oct.1943 from the Central Secretary to the Government to the Muzrai Commissioner, in Mysore, Bangalore.

Nomination of Sri Arhatdas Parshasagaraswami of Karkala to the Peetah of Sri Jain Mutt at Humcha Hosanagar Taluk.

Adverting to the correspondence ending with your letter No.P.C. 424/38-39 dated the 13th May 1943, on the above subject I am directed to state that Government consider that the view taken by the Deputy Commissioner of Shimoga District that at the meeting held in the Mutt on the 27th December 1931, Sri Parshasagara Swamy was selected as the successor to the Peetah of the Mutt and not merely as Vicharaswami to look after the affairs of the Mutt is correct.

2. According to the rules now in force, every succession to a Mutt enjoying Government grants in land or money or honours should receive the approval of His Highness the Maharaja and such approval should be obtained ordinarily before hand. In the present case the question of succession has not yet come up for decision. It is only when the Peetah falls vacant by the demise of the present incumbent that Government need express their approval of the successor. The present Swamiji contends that the choice of his successor is within his unqualified discretion but, quite inconsistently, he wants approval of the Government to his second nomination. Government cannot view with approval the Swamiji's making a second nomination, particularly when nothing definitehas been proved against the first nominee.

3. I am therefore, to request that the Swamiji may be informed that his request to Government to approve his second nomination cannot be complied with and that on the available material before them, they cannot accept the view put forward thatSri Parshasagara Swamy was not selected as a nominee for the succession to the Peetha and that he is unfit for the office.

The entire file of records connected is herewith returned.

Adverting to the correspondence ending with your letter No.R.424/38-39 dated the 18th May 1943, on the above subject I am directed to state that Government consider that the view taken by the Deputy Commissioner of Shimoga District that at the meeting held in the Mutt on the 27th December 1931, Sri Gangadharaiya was selected as the successor to the Peetha of the Mutt and not merely as Vichara Karthi to look after the affairs of the Mutt is correct.

TO,

The Private Secretary,

TO His Highness,The Maharaja Of Mysore.

MYSORE.

Sir,

Please allow me to put you in mind of my submission of a representation through you To His Highness The Maharaja Of Mysore,about the 20th June 1945 by means of registered post,and which was acknowledged by your office on 24-6-1945.

The matter was in connexion with the affairs of the Humcha mutt situated in the Nosanagar Taluk of the Shimoga District.

Since then,I had expected a kind reply from you onthe subject acquainting me with the particulars whether you were good enough to place the said representation before His Highness for His benign consideration and if so,with what result.

I am sure that if you would be so kind as to go through the said representation,a copy of which I have enclosed herein and also follow the present trend of events created by a few people who agitate and try to reverse the decision arrived by two successive Deputy Commissioners of Shimoga District,the Muzrai Commissioner and the Minister in charge. The present attempt of the so called committee members is nothing but Res-Judicata.

I need scarcely point out that the late Bhattaraka Sri. Devendra Kirthee of the Humcha Mutt had nominated and appointed as His successor Sri.Arhadas Varya vide Sanad that the said appointment after a protracted enquiry is

Highnes,so that,that order stood as the final on behalf of the Government.

Humcha Mutt though situated in the Mysore State,we Jains of South Kanara District are vitally interested in the affairs of the said Mutt. There is a Swandha-Mutt or Peetam at Varanga in South Kanara District having large property. The Swamier of Humcha Mutt has to be installed in the Ghadi of Taranga Mutt after his installation ceremoney at Humcha. There are many lay disciples in the District of South Kanara belonging to the said Mutt. So now you may have a fair idea of the intimate connexion of the Humcha Mutt with the South Kanara Jains.

Now the immediate urgency is that the Navaratri Festival in the Temple as well as in the Mutt however should be performed by the Swamier himself and unless the present controversy is settled soon and the Swamier is installed in both the Ghadies at Humcha and Taranga the customery Poojas of the Navaratry cannot be carried on

These are some of the reasons why I am taking so much interest in the affairs of the Mutt. I hope that by the time that this letter reaches your hands the matter might have been favourably disposed off for the Swamier. If not,I would seek a kind interview with His Highness the Maharaja Wodair on this subject. This is my applicati to you to kindly obtain His Highness s permission for the same,informing me the place,so that I may avail myself of the opportunity without any hindrance.

I request you to kindly favour me with a reply at your earliest convenience having regard to the urgent public importance involved.

Yours very sincerely

K. Ramaiah

To

His Highness Shri Jayachamaraja Wodeyar Bahadur, G.C.S.I.,
The Maharaja of Mysore.

This petition is submitted by the disciples of the Jain Matt at Humcha, in Sagar Taluk, Shimoga District.

The petitioners submit as follows:-

1. The Jain Matt at Humcha in Sagar Taluk, Shimoga District is one of the only three important Jain Matts in Mysore State, the other one being the Matta at Sravana-Belagola and the other in Narasimharajapur.

2. This Humcha Matt is a very ancient one. The tradition is that it was founded by JINA DATTARAYA nearly 1200 years ago.

3. The Matta was presided over by the late Swami Sri Devendra Keerti Bhattaraka Pattacharya Varya Swami on which he was installed on 27th January 1928, to 11th June 1945, on which date ~~xhx~~ he passed away, in his 76th year.

4. The Matt is not in possession or enjoyment of any State grants of any kind. But without the support of your Highness Government the petitioners feel that in the selection of a suitable candidate for the headship of this Matt, they are anxious to guard against any unwanted in being recommended for Your Highness' sanction.

5. Sri Pala Bramhachari of Tachur now in charge of the Samskrit Pathasale at Arai is the person whom the late Swami had selected to take the Ashrama to succeed him to the headship when it would be vacated. This selection of Sri Pala Bramachari is supported by an unanimous resolution of the several Sishyas of the Matt in a meeting held on 21-5-42 at Humcha. A copy of the proceedings of the said meeting is forwarded herewith for gracious reference. This gentleman enjoys a high repute and is universally respected among Jains for his saintly habits and deep learning. He belongs to a highly respectable family. He is a Bramhachari. He has expressed his willingness to take ashrama and conduct the affairs of the Matt, if he is so ordained. This selection

s san acc a our

hands to give him Ashram to befit him to the next headship of the Matt.

The rules require that in the case of Matta enjoying State Grants the presiding Swami has to select the candidate and after receiving the approval of Your Highness's hands to give him the Ashram for the purpose of making him the successor to the Peeta, so that there may not be any trouble later on, which would affect the peaceful prosperity of the Matt. But the late Swamy when he had before his death mentioned this individual to succeed him. Your Highness's Subordinate Officers took up the cause of one Paisagara Arhaldas Swamy though the late Swami protested against him as not being a fit person to succeed to the Matt. Your Highness's subordinate Officers have stated without foundation in that for it that the late Swami had so appointed him, though the late Swami had said that he had never done so but on the contrary declared his decided opinion against him.

7. The petitioners therefore place the selection of Sri Pala Bramhachari before your Highness for your Highness's gracious sanction. The petitioner's selection of this candidate and the universal support of the Sishya Mandali to that selection are great factors indicative of his being the best available gentleman in the best interests of the Matt.

8. The said Paisagara Arhaddas is creating a fuss already that he should be the successor. As the late Swami had not chosen him at any time or ordained him into that order, he has no ground to claim succession on that score. This move on the part of the person named above has necessitated this prompt action in the matter on the part of the discipline with a view to avoid litigation and other kind of trouble in the matter before hand, and with the view to

a suitable candidate for this Matt in the interests of the community.

9. The sanction of ordaining the gentleman Sri Pala Bramhachari so as to succeed to the Peeta may therefore be graciously accorded by Your Highness to the petitioners.

10. The disciples respectfully submit that this great institution of the Jain Community may be saved from being presided over by one like Pai Nagar Arhaddas. The disciples are unanimously opposed to the selection of this gentleman. His antecedents and his status and character are in the judgment of the Sishyas that such an individual should be far from such respected Peetah. Sri Pala Bramhachari suggested above has been consulted in the matter and he has agreed to succeed to the Peetha.

Copy of the proceedings of the disciples of the Matt held on 1-7-45 at Bangalore and another on 8-7-45 at Shimoga are appended hereto to Your Highness's gracious information to him from the said Pai Nagar Arhaddas should in no case be recommended for this Peetah.

The disciples pray for gracious sanction to instal respectable gentleman Sri Pala Bramhachari on this Peetah of Humcha Matt or any other suitable personage if he it. The names of such esteemed candidates will be submitte if Sri Pala Bramhachari declines.

THROUGH

THE PRIVATE SECRETARY
TO HIS HIGHNESS THE MAHARAJA OF MYSORE.

Respectable Memorial submitted by

SRI DHARMASTALA MANJAYYA HEGDE, M.L.C.,
DHARMASTALA, (SOUTH KANARA).

May it please Your Highness,

I and hundreds of Jains of South Kanara District are the Sisyas of Humcha Mutt and worshippers of Shri Padmavathi Amma Devaru of Humcha. The Mutt owns vast properties in Your Highness State and in the District of South Kanara at Varanga and Maleangadi. paying Land revenue of more than rupees one thousand. There is a sub-mutt at Varanga as well.

The Bhattaraka Sri Devendra Keerthi of the said Humcha Mutt died on 11-6-1945 suddenly without any illness while his successor Sri Arhadas Parswasagarji was on tour collecting funds for the Ashram which he has been running at Humcha.

I understand the local Amaldar proceeded to the Mutt on receiving report of the circumstances and was pleased to lock up the Mutt and seal the valuables.

The successor Sri Arhadasji seems to have returned to the Mutt on the 16th and on the 17th instant the Deputy Commissioner of Shimoga seems to have visited the Mutt and made arrangements for the daily poojas in the Mutt and in the Temples and that he was given co-operation by the local people in maintaining order and

safeguarding the interests of the Mutt and the attached temples.

It is most gratifying to note that Your Highness' Government are taking keen interest in all matters connected with religious institutions and practices without fear and favour and are exhibiting keen interest in maintaining and developing Hindu culture and practice.

Sri Arhadasji was appointed successor to the Gadi by the deceased Swamiar some years ago, after taking Dushpa at the shrine of Shri Ammanavaru and in the presence of a big Jain congregation, while there were one or two other candidates. Since that date Sri Arhadasji took Deeksha and spent several years in Northern India in studying Hindi, Sanskrit and Jain religion. He is very learned in all those languages and has passed the Nyayathirtha examination of the Calcutta University. While he was so absent some mischievous elements in the Jain Community started agitation denying the selection of Sri Arhadasji by the Humcha Swamiar and instigated the late Swamiar to adopt another. At this time certain well-wishers of the Mutt sent a petition to Your Highness' Government and on that an elaborate enquiry was held and respectable men were consulted by the Deputy Commissioner of Shimoga, Sri Arhadasji was also examined by him. This enquiry finally ended in the proceedings of Sri Rajamantrapraveena K. V. Anantharaman, B.A., Minister for Revenue and Law of Your Highness' Government.

The order of the said Minister recognised the fact

of appointment of Sri Arhadasji to Humcha Gadi and directed the late Swamiar not to nominate any other without the permission of Your Highness Government.

I understand that now, after the death of the Swamiar, the very same persons are busy and are going about canvassing support to oust Arhadasji, the rightful claimant to the Gadi and to elect a new man to the Gadi.

If Your Highness were pleased to examine the records of the enquiry referred to above, I have no doubt in my mind that Your Highness would come to the conclusion that Sri Arhadasji is highly desirable person to the Gadi and that he was lawfully nominated to it.

The confusion that has now occured immediately on the death of the late Swamiar has given a fresh handle to the mischievous people to shroud the rights of Sri Arhadasji.

I humbly pray Your Highness that Your Highness may graciously be pleased to direct that justice to the successor Sri Arhadasji may be done and the affairs of the Mutt might be handed over to him, for which act of justice and kindness, I shall ever remain grateful to Your Highness.

I beg to remain,

Your Highness' most obedient servant,

Dharmastala,
20 June 1945.

Proceedings of the Meeting of the members of the Jain Community held in the Panch-Basadi at Humcha, District Shimoga on 7-9-1945 at 4 P.M.

--------- * ---------

The Meeting commenced with prayers to Shree Jineshwar and a short speech by the Sarsangami of the Humcha Math (Convener of the Meeting) welcoming the members attending the Meeting and explaining the object of the Meeting. Mr.Dharmaraj Athikari then proposed that Mr.B.D.Kalsoor B.A.LL.B. pleader Haveri should preside over the Meeting. Messrs. Shetra Padmarajayya of Holalkere and Devendrappa Kadabi of Kalghatigi seconded the proposal. Mr. B.D.Kalsoor then took the Chair with the consent of all present.

Messages from Sjt. A.B.Latthe, Diwan Bahadur, A.P.Chaugule of - Belgaum, Sjt. Manjayya Hegde of Dharmasthala, Sjt.K.Raghuchandra Ballal of Mangalore, Sjt. P.H.Gunjal, District Judge, Karwar and many other - gentlemen from Belgaum, Shahapur, Hosoor, Mangalore, Saligram, Belloor, Mudbidre, Silvantasomapur, Dhundsi and other places endorsing the selection of Shree Arhaddas Parshwasagar Swami as his successor by the late Swamiji of the Humcha Math and recognition of the same by the Mysore Government and expressing a desire that Shree Arhaddas Parshwasagar Swamiji should soon be installed on the Peetha of the Humcha Math were read at the -- Meeting.

Messrs. Kalappa Lengde and Shantinath Ingle then raised a point of order that the right to select a successor to the Math vests only - with the disciples of the Math and the members of the community have no authority to discuss the question and hence the Meeting should disperse without passing any resolutions. The President pointed out that the - Meeting called was not of the disciples merely but of the members of the community, that many of the members present were also disciples of the Math and that the members of the community had every right and authority to express their considered opinion on such an important question like the selection of the successor of the Math. Those of the gentlemen attending the Meeting who believed that the resolutions passed therein did not bind them or who argued that the present Meeting should not consider the question of the selection of a successor of the Math were therefore - asked by the President to quit the Meeting quietly without creating any rowdyism, where-upon about 25 gentlemen left the Meeting. The romaining

remaining gentlemen who numbered about 125 then passed the following - resolutions unanimously :-

Resolution No 1 :- This Meeting hereby expressed its deep regret on the demise of Shree Devendrakirtibhattarak Swami on 11-6-45 and prays the Almightv for the peace of his soul. - (Moved from the Chair and carried all standing).

Resolution No 2 :- The late Shree Devendrakirti Swamiji in consonance - with past convention and in the presence of the disciple having obtained the sanction of Shree Padmawati Mahadevi at Humcha by way of right side flower favour, initiated Shree Arhaddas Parshwasagar into the order and appointed him as his successor to the Humcha Math. This Meeting not only approves the order of the Government of Mysore dated 14-10-1943 recognising the fact of Shree Arhaddas Parshwasagar being appointed as successor, but it also unanimously expresses its opinion that Shree Argaddas Parshwasagar Swamiji is, viewed from all considerations quite qualified to be the successor to the Math.

Proposed by Sjt. H.P.A.Jain.B.A.BL.Karkal.

Seconded by Sjt. J.D.Ambannavar of Kalsoor.

Resolution No 3 :- As the vacancy in the Peeth of the Math is causing - great anxiety to the members of the community and as the picture of the financial soundness of the Math - breaking up is apparent if the vacancy is allowed to continue any further, this Meeting earnestly prays - His Highness The Maharaja of Mysore to accord very early approval of Shree Arhaddas Parshwasagar Swamiji being the successor of the Math.

Proposed by Sjt. Sural Aramane Nagenara Tolar.

Seconded by Sjt. K.Kumarayya Shastri of Karkal.

Resolution No 4 :- This Meeting requests Sarrasangami Sjt.Hombanna - Hombannavar to celebrate the Installation of Shree Arhaddas Parshwasagar Swamiji in the Peeth of the Jumcha Math as soon as His Highness The Maharaja of Mysore accords His approval to Shree Arhaddas Parshwasagar

Parshwasagar Swamiji being successor to the Math.

Proposed by Sjt. Rayangouda Satangouda Patil of Kalghatigi.

Proceedings of the meeting of the disciples of the Humcha Jain Mutt held on 8-7-1945 at the residence of Shanthappa Dinakar. The meeting started at first with Mr.Sirsappa Malagatty, but he vacated the office saying that he could not proceed with the business. The meeting then continued as desired by the disciples present under the Presidency of Mr.Sirsappa Ijari as proposed by Dhundappa Dinakar seconded by Kallappa Lengade and supported by S.B.Nabhirajayya Sri Sirsappa Ijari was unanimously selected the President of the meeting and the following resolutions were passed:-

Resolutions:-

1. This Meeting expressed its deep sorrow on the death of Swasthi Sri Devendra Kearthi Bhattaraka Pattacharya Varya and prays that his soul may rest in peace.

2. From the statements oral and in writings of the late Swamiji this meeting is clearly of opinion that the late Swamiji did not intend to appoint Arhad Das as his successor and therefore Arhaddas has no right to say that the late Swami even intended this Arhaddas to succeed him. The disciples assembled also know it for certain that Arhaddas was not at all appointed as a successor at any time and it further resolves that he is unfit to succeed to the Peetha of this Mutt in any case.

3. This meeting authorises the following Gentlemen to manag the affairs of the Mutt.

(1) Sreeman Kallappa Lengade, Belgaum (Bhandapur).
(2) " D.K.Nabhirajiah, Bangalore.

29 NOV 1945

His Highness Sri Jayachamaraja Wodeyar Bahadur,G.C.S.I.

The Maharaja of Mysore, Mysore.

N2
Cell
129/8/45

This petition is submitted by the disciples of the Jain Matt at Humcha, in Nagar Taluk, Shimoga District.

The petitioners submit as follows:-

1. The Jain Matt at Humcha in Nagar Taluk, Shimoga District, is one of the only three important Jain Matts in Mysore State, the other one being the Matts at Sravana-Belagola and the other in Narasimharajapur.

2. This Humcha Matt is a very ancient one. The tradition is that it was founded by JINA DATTARAYA nearly 1200 years ago.

3. The Matt was presided over by the late Swami Sri Devendra Keerti Bhattaraka Pattacharya Varya Swami on which he was installed on 27th January 1885, to 11th June 1945, on which date he passed away, in his 76th year.

4. The Matt is not in possession or enjoyment of any State grants of any kind. But without the support of Your Highness's Government the petitioners feel that in the selection of a suitable candidate for the headship of this Matt, they are anxious to guard against any demerit in being recommended for Your Highness' sanction.

5. Sri Pala Brahmachari of Lachur now in charge of the Sanskrit Patasala at Arni is the person whom the late Swami had selected to take the Ashrama to succeed him to the headship when it would be vacated. This selection of Sri Pala Brahmachari is supported by unanimous resolution of the several Sishyas of the Matt in a Meeting held on 21-5-42 at Humcha. A copy of the proceedings of the said Meeting is forwarded herewith for gracious reference. This gentleman enjoys a high repute and is universally respected among Jains for his saintly habits and deep learning. He belongs

P.T.O.

to a highly respectable family. He is a Brahmachari. expressed his willingness to take sanyasa and conduct the affairs of the Matt, if he is so ordained. This selection having thus fallen on Sri Pala Brahmachari and supported by the Sishya Mandali of the Matt, the petitioners pray that the gracious sanction may be accorded at Your Highness's hands to give him Sanyasa to befit him to the next headship of the Matt.

6. The rules require that in the case of Matts enjoying State grants the presiding Swami has to select the candidate and after receiving the approval at your Highness's hands to give him the Sanyasa for the purpose of making him the success to the Peetha, so that there may not be any trouble later on, which would affect the peaceful prosperity of the Matt. But the late Swamy when he had before his death mentioned this individual to succeed him, your Highness's subordinate officers took up the cause of one Paisagara Arhaldas Swamy though the late Swami protested against him as not being a fi person to succeed to the Matt. Your Highness's subordinate officers have stated without foundation in that for it that late Swami had so appointed him, though the late Swami had st that he had never done so but on the contrary declared his decided opinion against him.

7. The petitioners therefore place the selection of Sri Pala Brahmachari before Your Highness for your Highness's gracious sanction. The petitioners' selection of this candidate and the universal support of the Sishya Mandali to that selection are great factors indicative of his being the best available gentleman in the best interests of the Mat

8. The said Paisagara Arhaddas is creating a fuss already that he should be the successor. As the late Swami had not chosen him at any time or ordained him into that order, he has no ground to claim succession on that score. This move on the part of the person named above has necessitated this

prompt action in the matter on the part of the disciples with a view to avoid litigation and other kind of trouble in the matter before hand. and with the view to secure a suitable candidate for this Matt in the interests of the community.

9. The sanction of ordaining the gentleman Sri Pala Brahmachari so as to succeed to the Peeta may therefore be graciously accorded by Your Highness to the petitioners.

10. The disciples respectfully submit that this great institution of the Jain Community may be saved from being presided over by one like Pal Bagal Ahmaddas. The disciples are unanimously opposed to the selection of this gentleman. His antecedents and his status and character are in the judgment of the Sanyas ..... a bad man an individual should be far from such respected Peetah. Sri Pala Brahmachari [illegible] have had much consultation in the matter and he has agreed to accept the Peeta.

A copy of the proceedings [illegible] on 1st and 2nd at Badhavade and [illegible] are appended hereto to Your Highness's gracious information to him from the said Pal Bagal Ahmadas would [illegible] be recommended for this Peetah.

The disciples pray for gracious sanction to install respectable gentleman Sri Pala Brahmachari [illegible] Matt or any other suitable personage [illegible] The names of such esteemed candidates will be submitted to Sri Pala Brahmachari decline.

R

Sir,

Nomination of a Successor to the vacant Peeta of Sri Jain Mutt at Humcha, Hosanagar Taluq.

In continuation of this office letter of even No. dated 16th July 1945, on the above subject, and, with reference to your letter No.R.705/Muz 187-44-25 dated 9th August 1945, and subsequent letters dated the 15th and 28th September 1945, forwarding, for report, several memorials for and against the nomination of Sri Parswasagara Swamy, I have the honor to state that the question of nominating a successor to the above peeta had come up for consideration as early as 1938-39, during the lifetime of the late Swamigalu. Government, in General Secretary's letter No.R.42/353-42-6 dated 14th October 1943, observed that the question of succession had not then come up for decision, and that it was only when the peeta fell vacant, by the demise of the then Swami, that Government could express their approval to the succession.

After the demise of the old Swamiji, two parties have been sending up representations regarding the question of succession. Sri Arahadas Parswasagara Swami is one of the candidates for the peeta and, his cause is being advanced by Mr. Jinaraja Heggade and others, of Mangalore. Mr. S. T. Malagathi, of Hubli, and certain others, as well as Mr. Sagari Jinadattappa, of Bangalore, and his party from the opposite party, protesting against the nomination of Sri Parswasagara Swami. They do not appear to have any particular person in view, at present.

As desired by both the contending parties, opportunity was given to them by the Deputy Commissioner, Shimoga District, to have their say in the matter The Deputy Commissioner's letter No. Muz.C.2821-351/44-45 dated 27th March 1946 (copy enclosed), explain the action taken by him, in detail. He states that both parties have considerable following, that Sri Parswasagara Swami is, however, a person who was duly elected as Swami, while on the

opposite side, there is no person now ready to succeed to the The Deputy Commissioner is of opinion that there is no need to re-open the question, especially, as Government once communicated their views in the matter, in the General Secretary's letter dated 14th October 1943. He adds that, the Sri Parswasagara Swami is duly qualified, and has a number of supporters both in this State as well as outside.

Messrs. Jinadattappa and D. R. Nabbirajiah, who oppose the nomination of Sri Parswasagara Swami have presented petitions, through their Counsel, Mr. S. K. Venkatarangiengar, praying that, before orders are passed, they may be heard, etc. They have stated, in this connection, that they have filed a suit (No.31/45-46) on the file of the District Court, Shimoga, for a declaration that the Sri Parswasagara Swami was not appointed as successor and that he is not a fit and proper person to succeed to the peeta. The suit is stated to be pending.

It seems to me that it is inexpedient for Government to come to a decision about this question, during the pendency of the litigation. I think, that the result of the litigation may be awaited.

As regards the allegation that, jewels worth Rs 20,000/- were removed from the mutt by one of the contending parties (vide your letter No.R.1469/Muz.187-44-29 dated 18th September 1946), the Deputy Commissioner states, in his letter No.Muz.C.2821/44-45 dated 20th March 1946, enclosed herewith, that he will submit a separate report, shortly. As regards associating Sri Parswasagara Swami also with the interim management of the Mutt, the Deputy Commissioner states that, it is not desirable to appoint him as a member of the Managing Committee and that, two gentlemen, who are his supporters, have been nominated as members of the committee, and that this is enough for the present. I agree with the Deputy Commissioner.

The connected records received from the Deputy Commissioner, Shimoga District, are herewith transmitted for kind reference and return.

I have the honor to be,
Sir,
Your most obedient servant,

Subject:- Appointment of Sri Arabhadra Parivrajacharya Swami as a member of the Committee for the management of the Kudali Mutt, Hosanagar Taluk.

...

Sir,

With reference to your Memo No.B1-1030/44-45, dated 24-9-45, forwarding for report a copy of Law Secretary's letter No.R.1469-Muz.187-44-29 dated 18-9-45 and the memorials addressed to His Highness the Maharaja, by certain disciples of the Kudali Mutt, re: the nomination of a Successor to the Mutt and calling for opinion re: the advisibility of appointing Sri Arabhadra Parivrajacharya Swami as a member of the Committee for the management of this Mutt, I have the honour to state that as the question re: his nomination as successor to the late Swamiji of the Mutt is under enquiry, it is not desirable to appoint him as a member of the Managing Committee. 2 gentlemen, who are his supporters have been nominated as members of the Committee and I think this is enough for the present.

As re: the main question, Viz., succession to the Peetha a separate report will be sent.

Another report re: the alleged removal of Jewels worth Rs.20,000/- referred to in the Law Secretary's letter will also be sent, shortly.

I have the honour to be,

Sir,

Subject: Nomination of a successor to the Jain Mutt
at Humcha, Nagar Taluk.

With reference to correspondence ending with your Memo No.E.C.1030/44-45 dated 30th October 1945 on the above subject, I have the honour to state as follows:

The proceedings conducted by my predecessors in connecti with the appointment of a successor to the above Mutt have been reported in my letter of even number dated 14th July 1945.

As desired by both the contending parties, opportunity w given to them to have their say in the matter Mr. T.G. Narayana Iyengar, Advocate for the party headed by Mr. Sagari Jinadathap put forth the following three objections to the nominating or t respondent as Swamiji:

i) that the Jain Mutt at Humcha did not fall within the purview of the Rules on pages 497 -498 of Muzrai Manual

ii) that there was no need for the Swamiji of the Mutt to obtain the approval of Government to the Nomination of a Successor and

iii) that Sri Arahadadas Parswa Sagaraswamy had neither be properly selected as successor nor had his nomination be approved by Government.

As regards objection 1 and 2, it may be stated that the tention is untenable in as much as, the temple of Sri Parsvan

Devi which is attached to the Mutt, is a Muzrai Institution being endowed with Inam lands, Cash grant and also Sandalwood grant, annually. Further, Government have conferred certain Honours on the Swamiji of the Mutt (Vide printed list of Honours) As such, the Mutt is a Muzrai Institution within the meaning of Sec.2(8) of the Religious & Charitable Institutions Act. The question of obtaining the approval of Government to the nomination of a successor having previously come for decision, it was reported in your letter No.710/27-28 dated 8-2-28 addressed to the Ex Financial Secretary to Government, that approval was necessary. Accordingly, the nomination of the successor(late Swamiji) was approved by Government in their Order No.2168-71 Muz 146-27-7 dated 26-5-28.

As regards the third point Mr. Narayana Iyengar invited reference to the statement of the lateSwamiji before the Sub Division Officer, Sagar on 20-7-1939 which is to the effect that the respondent had not been appointed even as Vicharagvami as contended by him and to the another statement of the late Swamiji before the Amildar of Hosanagar Taluk on 26-5-1945 wherein he had denied the nomination of the Respondent as Successor. Mr. T.G. Narayana Iyengar has also produced (i) a book containing the proceedings of a Meeting of some Committee held in the Mutt on 27th December 1941, which is to the effect that a Vicharaswami might be selected from among three persons including the Respondent and (ii) a letter dated 14-10-1939 perporting to have been written by some person to the Respondent, wherein the latter's appointment as Vicharaswami has been mentioned. Further, he represented that the Respondent had not, on the one hand, been nominated by the late Swamiji and that on the other hand, the disciples of the Mutt had not selected him as Successor. He also questioned the regularity of the proceedings conducted by my predecessor in securing the opinion of the disciples of the Mutt on the ground that the persons then consulted were not the only disciples of the Mutt and that the samaja should have been consulted. ~~He even suggest~~ He even suggested fresh consultation of the Samaja for

ding a successor. He also produced two books said to tain the names of the Sishyas (disciples) of the Mutt, as it stood in 1801 and 1903, as well as a provisional list as in 1945. The first two are super scribed as noted in the margin.

ಕಚೇರಿ ಉಪಯೋಗಕ್ಕಾಗಿ ಮಾತ್ರ
ಸಹಾಯಕ ಆಯುಕ್ತರು ಬಳ್ಳಾರಿ.
೪) ಶ್ರೀ ಪರಮೇಶ್ವರಪ್ಪನವರ ಬರವಣಿಗೆ ಇದೆ.

() It may be seen from the book containing the proceedings of the meeting of the committees held on 27-12-51 that there is only a resolution to appoint a Vicharaswami to the Mutt. It does not say that the Respondent had been appointed as Vicharaswami. This book has been made use of as a Register of correspondence also and there is a reference to show that the Respondent had agreed to work as Vicharaswami, that his appointment as such has been duly celebrated and that this fact had been published in the 'Viswabandhu' Magazine. Beyond this the proceedings book does not contain information on any other point. As regards the statement of the late Swamiji before the Sub Division Officer on 20-7-1959, it may be stated that this is merely a contention of the right of Government to approve the nomination of a successor to the Mutt as well as the right of the disciples of the Mutt to interfere in this matter. It cannot be made out as to how the late Swamiji gave this statement when his own nomination had been approved by Government though in the course of the statement, he has observed that the correspondence re: his nomination was not at his instance. Whatever might be the spirit of this statement, it is not helpful for the disposal of the present question, in view of later developments.

The proceedings conducted by my predecessor were in pursuance of the instructions conveyed in your memo No.P.B.454-58 dated 10-6-41 and P.C.424-38 dated 10th August 1942. The late Swamiji as well as the Respondent were asked to give a list of their supporters and notices were issued to them to furnish their opinion as to whether they were or were not in favour of the nomination of the Respondent as Successor. The opinions received were collected, consolidated and a report was sent to you recording

approval to the nomination of the Respondent as succe posals supporting this recommendation were sent from y. to Government who observed that the opinion of the Deputy sioner to the effect that the Respondent had been properly nominated as a successor was correct &c.

The late Swamiji having agreed to the mode of collecting opinion in 1945 and also furnished the names of his supporters. further action was taken in the matter. Nothing prevented him from furnishing a more detailed list of his disciples if any at the time. Though the sishyas have, under certain circumstances a voice in the selection of a successor (namely, when the Guru fails to obtain approval of His Highness to an eligible candidate and if he on the sudden approach of death or fear of death selects a successor and gives Ashraman to him or if he dies without giving ashraman to the successor) still, in view of the above fact, it is a point for consideration as to whether the case fall under this clause and whether they could claim to have their say in the matter at this stage. Further, the distinction that is now being made between Sangha and Sishyas cannot be easily understood. According to the provisions contained in pages 497 & 498 of the Muzrai Manual the 'COMMUNITY' has voice in such matters. I think this word referres to the disciples or sishyas of the Mutt and not the Jain Community as a whole. Members of t Jain Community live both in the State as well as Outside; but they are disciples of several Jain Mutts including the Huncha Mut

The books produced by the petitioners are merely a list of persons from whom amounts were due to the Mutt. It cannot be definitely stated that all the persons whose names are mentioned therein, are sishyas of the Mutt. The list is pretty old and it i not possible to say whether all those persons are alive. In vie of the previous proceedings and the above circumstances, I am of opinion that the third contention cannot be supported and that there does not appear to be any need to collect afresh the opinio of the sishyas as per list now furnished.

The Respondent merely stated that he had been properly nominated as successor.

At a later stage of the proceedings, Mr. T.G. Narayana yengar gave a list of persons eligible for nomination as successo This was objected to by the Counsel for the Respondent. Incidentally, it may be mentioned that Mr. K.G. Bhantarja Sastri whose name is found in this list has voluntarily sent a letter to this Office, stating that he is not in favour of accepting the office and recommending the case of the Respondents.

From consideration of all the facts of the case, I am of opinion that the Respondent was originally selected for the purpose of succeeding to the peetha though he might have been styled as Vidyaraswami. Later, differences seem to have arisen between him and the late Swamiji with the result the latter attempted to select some one else to succeed him. He was however informed that his contemplated action was not acceptable to Government. With the demise of the Swami supporters of both parties have to put forth their rival claims. Both parties have considerable disciples on their side. The respondent is however a person who was duly elected as swami while on the petitioners side there is no person now ready to succeed to the peetha.

In view of the circumstances mentioned in the previous paragraph and also of the fact that the petitioners have not specifically urged the nomination of any one person duly qualified to succeed to the peetha and have failed to bring home any specific disqualifications on the part of the Respondent to succeed, I think there is no need to re-open the question, specifically as Government have once communicated their views in the matter in their letter dated 14th October 1948.

I may add that the respondent is also duly qualified and he has a number of supporters both in the math as well as outside.

All the connected records including the evidence produced

produced by the notifications and hereunto sent.

I have the honour to be,

Mis. Muzrai Petition No. of 40/47.

589

26 JULY 1940

Petitioners:- 1.S.P. Jinadattappa.
2. D.K.Nabhirajiah and others.

-vs-

Respondent:- Arahadas Paisagar Swamy, Humcha, Shimoga Dt.

The petitioners abovenamed state as follows:-

1. The petitioners who are a few of the desciples of Humcha Mutt had petitioned the Government that as the Peetah was vacant owing to the death of the previous Swami, the question of the succession to the Peetah having arisen, either one Sripala Brahmachari who had been appointed the successor by the previous Swami should be installed or if he should decline, the desciples nominee in whom the right of selecting a proper and fit successor vested, be installed, but not the respondent who had neither been appointed by the previous Swami nor a fit and proper person to occupy the Peetah of a mutt which is held in high veneration among the Jains both in and out of mysore.

2. The Government was pleased to forward their petitions to the Muzrai Commissioner,

who directed the Deputy Commissioner, Shimoga, to enquire and report on the petition submitted by the petitioners.

3. That after hearing arguments and after an interval of more than six months the petitioners learnt that some time in April 1940 the Deputy Commissioner <u>without holding any enquiry as directed,</u> appears to have sent up a report to the effect that the respondent's succession had already been recognised by Government, relying on certain observations made by Mr. K.V.Anantharaman the then Minister in charge of Muzrai portfolio while considering the previous Swami's request that his nominee Sri Bala Brahmachari be approved as the successor and the then Deputy Commissioner's recommendation that the respondent may be selected as the successor. The said order made it very clear that the Deputy Commissioner's recommendation could not be accepted, as the question of succession itself had not arisen for consideration. Even while observing that the previous Swami's contention that he had not nominated the respondent as his successor could not be accepted, the said order made it clear that such a conclusion had been reached on the materials then available. It was therefore very clear that it was open to the petitioners to allege and prove

by placing full materials that the respondent had not been appointed as Successor and that in any even he was not a fit and proper person to succeed to the Peetah, when after the death of the previous Swami the question of succession arose. Accordingly the petitioners had submitted their petitions to the Government and the Muzrai Commissioner It is in this state of affairs that enquiry had been ordered. Unfortunately, without following the directions of the Muzrai Commissioner, the Deputy Commissioner after posting the case for orders has without any enquiry sent up a report.

4. The petitioners were not notified that a report had been sent, much less were they informed of the contents of the report.

5. As there was an inordinate delay in the disposal of the matter by the Deputy Commissioner and as the respondents with the help of some of his adherents, without waiting for the disposal of the petition wanted to force the pace by getting himself proclaimed as the Swami, the petitioners had to file original suit no.31 of 45/46 on the file of the District Court, Shimogafor a declaration that the respondent had not been appointed the successor and that he was not a fit and proper

proper person to succeed to the Peetah.

6. The Government have taken over possession and management of the property of the Mutt under Section 25 of the Mysore Religious and Charitable Institutions Act VII of 1927, on the death of the previous Swami.

7. This management will only cease as stated in the proviso to the said section, when a successor is duly appointed.

8. The respondent has not been appointed a successor much less a duly appointed successor The previous Swami had even during his lifetime reported to the Muzrai authorities and Government that he had not appointed him as his successor and that he was unfit to succeed him to the Peetah.

9. The petitioners also respectfully submit that the character and conduct of the respondent disbars the respondent from being selected as the successor.

10. There are very valuable jewels and properties belonging to the Mutt worth over a lakh of rupees. The previous Swami has recorded as his opinion that the respondent could not be trusted in financial matters, as he found that he did not account for the moneys he had -

collected from the desciples of the Mutt.

11. A vast majority of the desciples are against the respondent being countenanced as the successor. Though they were and are prepared to give proofs in support of their petition which had been forwarded for enquiry, no enquiry was done.

12. In proof of their bonafides, they have even instituted a divil suit. The civil ~~xxx~~ court will enquire into the very questions of which enquiry had been directed but which was not done. The civil suit is posted for evidence after framing of issues and the suit is posted for consideration of the temporary injunction application for 3/8/40.

13. There is absolute safety in the management continuing as heretofore until the successor is duly appointed.

14. The petitioners have been throughout contending as also the previous Swamis that the Kumbha Mutt is not a Muzrai Institution and that succession to the Matt is governed by immemorial usage by the previous Swami appointing a successor or on his failure to do so or the successor nominated by him, failing to accept the appointment the desciples of the mutt appointing a successor. These questions also come up for

consideration before the Civil court.

15. Under the rules printed at pages 497 and 498 and 499 of the Muzrai Manual the rules relating to succession to mutts clearly provide for the selection of a proper successor by the community interested, i.e, by the Shisya Varga (ಶಿಷ್ಯವರ್ಗ) as stated in the Kanarese rules printed at page 499. They also provide that the successor should have the requisite qualifications or Yogyathe (ಅರ್ಹತೆ) The respondent has neither been appointed as successor nor has he the "YOGYATHE."

16. The respondent is forcing the pace by false propaganda and canvassing the support of some influential Jains who are not even desciples of the Mutt. His object is to somehow get the help of Muzrai authorities, so that he might act freely to deal with the valuable properties of the Mutt when once he is somehow installed on the peetah.

17. In the circumstances, in view of the large stakes involved, and in view of the several representations of fact and of law which thepetitioners have got to submit, they pray that before orders are passed on the report of the Deputy Commissioner, Shimoga, they maybe heard

heard through their counsel and a copy of the Deputy Commissioner's report granted to them.

18. In any event in view of the circumstances that the Civil court has already got siesin of the above subject matter, Government may be pleased not to accept the report of the Deputy Commissioner, Shimoga, passed without any enquiry, and the petitioners are informmed that the Muzrai Commissioner has also opined to the same effect after both the parties had pressed their respective contentions before him.

No R 42/Mus 353-42-6. from the General Secretary to the Govt. to the Mysore Commissioner in Mysore

The petitioner begs to state as follows.

1) That the petitioner has duly belonged to the office of the Mathadhipathi is clear from para 3 of the letter quoted above, as also the fact that the 11th nomination made the late Swami

for his succession was nd. valid)

2) Subsequent to the above Govt. order
enquiry was ordered regarding the matter
on account of the persistent agitation
of a group of persons who had made
up their mind against the petitioner.;
and successive deputy Commissioners
confirmed their predecessor's views
in the matter, which were all in
petitioner's favour.

3) Thereafter, the agitation was transferred
to the civil tribunal and therein also
it failed by the dismissal of the suit
in the District Court at Shimoga in
O.S. No 31/45-6. A certified copies of the
judgment and decree are herewith enclosed
for perusal and return. As will be (-a)
seen therefrom the Court refused to (-ing)
even the Govt. to stay its hand in
proceeding with the appointment as
the late Swamy died a bo

time back. and no appointment
been made so far. Consequently the
institution has been deteriorating
It is submitted with respect that very
little remains to be done to set matters
right, except to give effect to the
order of this Court as embodied in the
letter quoted already.

5) The petitioner made a representation
to this Court vide his petition of the 20th
instant, which was nearly two months
after the District Court decided the
matter in petitioner's favour.

6) It is prayed that early order
may be passed for the appointment

Re: Succession to the Huncha Mutt.

PETITIONERS:-

1. S.P. Jinadattappa.
2. D.V. Vaghirajiah.
3. Merchants, residing in Seshadri Road, BANGALORE CITY.

-Vs-

RESPONDENT:-

Arunad Das Parswasagara Swamy, Huncha, Hosanagar Taluk, Shimoga District.

The Petitioners had submitted their written objections against the summary disposal of the Deputy Commissioner, Shimoga, without enquiry of their objection petition to the claim of the Respondent to be appointed as successor to the vacant "PEETHA" of Sri Huncha Mutt, and had prayed for being heard by Government before final orders were passed if the Government did not see their way to hold up the proceedings pending the disposal of the suit filed by them and other Jain Disciples of the said Mutt. The petitioners filed C.S. No.31 of 45-46 on the file of the District Judge, Shimoga, for a declaration, that respondent was neither appointed &

~~as~~ the Successor of the said Mutt nor was he a fit and proper person.

2. The petitioners had been given to understand that the Government had agreed with the opinion of the Muzrai Commissioner, that the proceedings before the Government relating to the appointment of Successor may await the Civil proceedings. On 30-11-1946, the District Judge held that he had no jurisdiction and that Government had seisen of the matter of the selection of a Swamy and that ~~since~~ there was no need for the petitioners to file the suit. It will be seen that his disposal is on a preliminary point as to the Civil Courts Jurisdiction. Against this decision which the petitioners submit are plainly opposed to the provisions of Law and to the decided cases of the High Court, the petitioners have filed an appeal to Hon'ble the High Court of Mysore in R.A. No. 153 of 46-47. The Respondent who has had notice of this appeal without bringing this to the attention of Government, appears to have approached the Government, the Muzrai Commissioner and the Deputy Commissioner, Shimoga that on the ground the Civil suit has been dismissed, he should be appointed the "PEETHA" of "SRI HUVCHA MUTT". The petitioners submit that they have every hope that the High Court may agree with their contention. If so the contingency of the Government deciding the matter will not arise. Even otherwise

there

there has been no inquiry as to the Respondent's fitness to be a proper candidate to succeed to the PEETHA nor has his succession the approval of the disciples nor the deciples or the previous Swamy were for his selection.

4. The Government have been safeguarding the interests of the Mutt and its property by appointing a representative committee of Jains and until the High Court decide the matter or in the alternative until the petitions are heard by Government, they pray that no orders be passed on the petition of the Respondent.

certain Bhattaraka Swamy, the Mata hipathi having become old, the disciples of the Mutt who had assembled at Humcha during the month of December 1931, decided at a meeting held in the Mutt on the 27th of the month, to select Shri Arhaddas Parshwa-sagara Swamy, a Brahmachara studying at Sravanabelagola as the successor to the Mathadhipathi.

2 Shri Bhattaraka Swamy acknowledging the choice of his disciples reported to be based on the prasada obtained from the Id. of Shri Padmavathi Devi, gave deekshe to the nominee and initiating him into Sanyasa Ashrama under the name of Shri Parshwagara Swamy appointed him as Vicharaswamy. Subsequently, the Vichara Swamy toured all over the country and after studying at Indore returned to the Mutt acquiring high knowledge.

3 In 1939, there was a move on the part of some disciples of the Mutt for the nomination of another person as the successor to the Head of the Mutt. The supporters of Shri Parshwasagara Swamy having petitioned the Deputy Commissioner, Shimoga District, protesting against the second nomination, the matter was enquired into and the local officers came to the conclusion that the nomination of Shri Parshwasagara Swamy as Vicharaswamy amounted to his nomination as the actual successor to the Head of the Mutt. The Deputy Commissioner having supported the findings of the local officers, the Madras Commissioner recommended that as the aged Mathadhipathi himself had nominated Shri Parshwasagara Swamy

and as the latter was well qualified for the high office he recognised as Successor.

4. The Head of the Mutt, however, under the influence of those who opposed the succession of Shri Parshwasagara Swamy approached Govt. seeking their sanction to the nomination of one Shri Pala Brahmachari of Jachur. After hearing both the contending parties, Govt came to the conclusion that the view taken by the two successive Deputy Commissioners of Shimoga District that at the meeting held in the Mutt on the 21st December 1931, Shri Parshwa Sagara Swamy was selected as Successor to the Peeth is, was correct, and that as the Peetah had not then fallen vacant, the question of actual succession was not ripe for decision and that they need express their approval of the successor only after the demise of the Head of the Mutt. The M.C. was, accordingly asked in G.O No R 42/ Muzrai 353-42-6, dated the 14th October 1943, to inform the Swamy that his request to Govt. to approve of his second nomination could not be complied with and that on the material available before them, they could not accept the views put forward that Shri Parshwa Sagara Swamy was not selected as a nominee for the succession to the Peetah and that he was unfit for the office.

5 As Shri Bhattaraka Swamy passed away subsequently, viz., on the 11th 1945, Shri Parshwasagara Swamy petitioned Govt. praying that he might be recognised as the Successor to the vacant Peetah of the Mutt Shimoga DC soon after the demise of the Swamy, the Deputy Commissioner concerned took Charge of the Mutt and its properties temporarily, under Clause 2

Section 25 of the Religious Institutions Act, and appointed a Committee consisting of five persons with the Amildar of Hosadurga Taluk as the Convenor, to look after the affairs of the institution pending the formal appointment of a successor. This Committee has since been enlarged by the inclusion of three more members, of whom two are non-Jains and the third a Jain supporter of Shri Parshwanath Swamy.

6. The opponents of the nominee, in the meanwhile, filed a suit before the District Judge, Shimoga Division, for a declaration that Shri Arhadasa Parshwasagara Swamy is not the appointed successor to the Peetah of the ~~Shri~~ Jain Mutt at Humcha, that he is not a fit and proper person to be appointed as such, and that Shri Pala Brahmachari Swamy is the properly appointed successor to the Peetah, or, in the alternative, to declare that the right of selection of the successor vests in the disciples of the Mutt. This suit (Original Suit No. 31 of 1945-46) was dismissed by the District Judge on the 30th November 1946, with the decree that the Plaintiffs should bear the costs of the Defendant.

7. The civil suit filed by the parties against the nomination of Shri Parshwasagara Swamy having been dismissed and no developments having taken place since, to modify the view taken by Government in 1943 in regard to the succession in 1931 of Shri Parshwasagara Swamy as the nominee for succession to the Peetah of the Mutt which

is already without a Head for a long time, ~~and apparently there being no end to the litigations~~. The Deputy Commissioner having supported the findings of the local officers, the Mysore Commissioner recommended that as the aged Matadhipathi himself had nominated Shri Parshwanagara Hegg and as the latter was well qualified for the office, he might be recognised as successor.

4. The Head of the Mutt, however, under the influence of those opposed the succession of Shri Parshwanagara Hegg, approached Government, seeking their sanction to the nomination of one Shri Pala Brahmachari of Tadpur. The Mysore Commissioner, was, accordingly, moved in Government Order No.H.D.4/Mysore/63-64-6 dated the 14th October 1963, to inform the Deputy Commissioner that as regards the Government to approve of the second nomination of Shri Parshwanagara Hegg, they had applied their mind and that on the material available before them they could not accept the view put forward that Shri Parshwanagara Hegg was not selected as a nominee for the succession to the Mutt and that he was unfit for the office.

This Committee has since been enlarged by the inclusion of three more members, of whom two are non-Jains and the third a Jain supporter of Sri Parshwanagara Swamy.

The opponents of the nominee, in the meanwhile, filed a suit before the District Judge, Shimoga Division, for a declaration that Sri Virendra Parshwanagara Swamy is not the appointed successor to the Peetah of the Jain Mutt at Nagar, that he is not a fit and proper person to be appointed as such, and that Sri Jain Bramhacharji Swamy is the properly appointed successor to the Peetah, or, in the alternative, to declare that the right of selection of the successor vests in the committee of the Mutt. To

HIS HIGHNESS SRI JAYACHAMARAJENDRA WADIYAR
BAHADUR, G.C.S.I., G.C.B.,
His Highness the Maharaja
of Mysore,
MYSORE.

May it please Your Highness,

Regarding succession to Sri Humcha Mutt and Branch Mutt at Varanga.

The undersigned memorialists are some of the disciples of Sri Humcha Mutt, a Jain Mutt of hoary origin, situated in Shimoga District, in your Highness's State.

1. The Mutt commands a large followers of Jains all over the Mysore State, Parts of Madras and Bombay Presidency and in the Dominions of His Exalted Highness the Nizam of Hyderabad. It has valuable immovable property in the Mysore State, Madras and Bombay Presidencies. It has also moveable property in the shape of jewels, silver and gold vessels of the value of nearly three lakhs of rupees.

2. The first three of Your memorialists, who have subscribed to this memorial, are the

recipients of Public Service Medals at the hands of Your Gracious Highness. Other memorialists are some of the wealthy, philanthropic and religious minded Jains both in and outside Mysore State.

3. Sri Devendra Mirthi Bhattarka Bhattacharya Swamy of blessed memory was the last Swamy who occupied the Peeta of Sri Humcha Mutt. His Holiness the said Swamy left his mortal remains in or about June 1945. Eversince then, Your Highness's Government exercising their powers under the provisions of the Religious and Charitable Institutions Act have taken over the management of the Mutt and its properties pending the appointment of a suitable successor.

4. That by custom and immemorial usage governing the succession to this Mutt, the Swamy in Office would nominate his successor, take the ratification of the disciples and arrange for his anointment. That in accordance with this usage the late Holiness had nominated, as his successor, one Sripala Brahmacharya Swamy, a devout Jain Savant and scholar who is intensely religious minded, well learned in Jain Sastras and is at present the head of the Sanskrit Patasala in Arani. His Holiness accordingly intimated this fact to the concerned Mysore Officers.

5. The said Holiness had for sometime

appointed one Arahaddas Parswasagara Swamy as Vicharaswamy to aid him in administrative day to day affairs of the Mutt. In the course of this work he was entrusted with the work of collections from various devotees and disciples of the Mutt. His Late Holiness found that the said Arahaddas Paraswasagara Swamy's moral conduct was not all-right and he was not equal to the trust reposed in him and did not satisfactorily account for the monies he has realised. He, therefore, dispensed with his services even as Vicharaswamy as early as in the year 1931 within a short time after he had been appointed.

6. Exploiting provincial considerations the said Arahaddas Paraswasagara Awamy who was a South Canara man began through prapaganda and influence to put himself forward as the successor to the Peeta. He managed to secure the good Offices of the then Deputy Commissioner, Shimoga District, Mr. G. Sundara Rao, himself a South Canara gentleman, for sending up a recommendatory report to Government to the effect that he had been appointed as successor (Uttaradhikari) to the Peeta of the said Mutt.

7. The late Holiness and Your humble memorialists and several others having found that the Deputy Commissioner showed a natural

bias in favour of one of his own District enlisting the opinion of some Jain gentlemen of ~~this~~ South Canara District who were not disciples of Sri Humcha Mutt, protested to Your Highness's Government against the acceptance of the recommendation of the Deputy Commissioner. Your Highness's then Minister late Rajamantra Praveena K.V. Anantharaman in or about 1943 after hearing counsel, passed orders declining to approve the recommendation of the then Deputy Commissioner and stated that the question of the successor to the Peeta need not be taken up at all until a vacancy arose.

8. While passing orders he made a few unfortunate observations as Your memorialists are given to understand (no copy of the order having been granted to them), that on the --- materials then available before him there was not sufficient warrant for the Government to hold that the said Arahaddas Paraswasagara Swamy was not a fit and proper successor to the Peeta, and that he had not been nominated as the successor. That as the final orders apart from these observations were in favour of the contentions of the Late Holiness, matters were allowed to rest without any further step being taken by the Late Holiness or by the disciples of the Mutt.

9. That after the demise of the Late

Swamy the said Sri Arahaddas Paraswasagara Swamy started the agitation once again by petitioning to Your Highness's Government and to Your Highness's concerned Muzrai Officers in the state to recognise him as the validly appointed successor. Having learnt of this insidious move Your Highness's memorialists and the numerous disciples of the Mutt presented objection petitions to Your Highness's Government and to the concerned Muzrai Officers and submitted that the said Arahaddas Paraswasagara Swamy was --- neither selected as the successor nor was a morally a fit and proper person to occupy the High Gady of a Mutt held in so much veneration by several Jain subjects of Your Highness and citizens outside the State. Their objection petitions were forwarded to the DeputyCommissioner of Shimoga for enquiry and report. Unfortunately the Deputy Commissioner to whom the matter was referred, after having heard arguments of respective counsels reserved orders for over six months and without any enquiry, as Your Highness's memorialists understand, passed on the papers to the Government recommending that Arahaddas Paraswasagara Swamy may be recognised as the successor.

10. That in view of the natural suspicion that was aroused in the minds of Your Highness's memorialists and other disciples consequent on the extraordinary delay of the Deputy Commissioner,.

they took the step of filing a suit in O S. No.31 of 1945-46 on the file of the District Judge, Shimoga, for a declaration that Sripala Brahmacharya Swamy had been appointed as the successor to the Peeta of Sri Humcha Mutt and alternately if for any reason it was held that he had not been validly appointed, to declare that the --- successor be appointed by disciples of Sri Humcha Mutt and that in any event to declare that Sri Arahaddas Paraswasagara Swamy had neither been appointed as successor nor was a fit and proper person to be recognised as such.

11. That as on a preliminary issue, the District Judge held that the case was not cognisable by the Civil Courts, some of Your Highness's memorialists and others who were plaintiffs in the suit had to file an appeal in R.A.No. 158 of 1946-47 to the High Court of Mysore, Bangalore. The said appeal is pending and order for temporary injunction is sought for in the course of this appeal to restrain the said Arahaddas ---- Paraswasagara Swamy from getting himself installed as Swamy. The latter has been served with notice of the petition and the injunction petition is shortly to be disposed of by the High Court.

12. Your Highness's memorialists have been given to understand that unmindful of these proceedings the said Arahaddas Paraswasagara Swamy

has been so far successful before Your Highness's Officers of the Muzrai Department to have the papers forwarded to Your Highness for approval of his application. Therefore Your Highness's memorialists have had to indent on Your Highness's valuable time for consideration of their prayer.

13. It had been the contention of the Late Holiness and has been the contention of Your Highness's memorialists and other disciples of the Mutt that Sri Humcha Mutt is not the recipient of any grants by Your Highness's Government and therefore the succession to the Mutt is to be regulated either by the nomination of the previous Swamy or by the disciples.

14. Your Highness's memorialists submit that Your Highness and Your Highness's predecessorts have always been anxious to safeguard the religious customs and usages of every community. Your Highness's memorialists are therefore --- anxious that in strict regard to this usage, Your Highness may be pleased to direct that Your Highness's approval is not called for, but the matter of succession has to await the decision of Your Highness's Judges of the Civil Court.

15. That in so submitting to Your Highness, Your Highness's memorialists are only anxious to conserve the valuable properties and belongings

of the Mutt. They are equally anxious that a revered religiously minded Jain scholar who has the approval of the disciples of the Mutt should occupy the Peeta. The cry of the disciples for an enquiry has not at all been respected and even as the disciples are trying to have adjudication in Your Highness's Courts, matters are being rushed through on the executive side for getting Arahaddas Paraswasagara Swamy installed on the Peeta of the Mutt.

16. Your Highness's memorialists have had therefore no option, but to submit at length this long memorial to Your Highness setting forth their grievances.

In conclusion Your Highness's memorialists pray for early and favourable orders as submitted in para 15 aforesaid.

Your Highness's Loyal, Respectful
Jain subjects and citizens beg
to subscribe hereunto.

The case is by a set of disciples of a gain mutt, which is situated within Shimoga District, known as Hunchemutt and the case is brought subsequent to the demise of the previous Swamy. The case of the disciples is laid on this footing that, according to the custom and tradition governing this mutt, which is of gain persuasion, it is the previous Swamy, that had a right to nominate his successor. The previous Swamy has accordingly, nominated one Sri Pat-Braitha acharya Swamy as his successor. In the case this Court should — Contd

for Consideration before me.

3 The points raised by the Defendant are: (1) that the approval of a nominated or elected Mathadhipathi is the Prerogative of his Highness, Such that civil Court cannot exercise function and (2) the familiar application of Section 42 of the Specific Relief Act. The Learned Counsel for the Plaintiffs argues that a set of rules is framed by the Muzrai Department. It is only Mutts enjoying Government grants in lands or honours that come within this Category, and that this be says, as a point for Consideration for the civil court. He further argues, that what the Muzrai Regulati-

enjoins is, that the approval of His Highness is necessary. Failing to obtain the said approval, he further argues entails the penalty prescribed is the resumption of the said grants, and as such, he says this is a matter to be decided by the civil Court. He also argues that under Section 25(2) of the Religious and Charitable Institution Act, the law is that custom and usage of the community should govern Succession. Moreover, the jurisdiction of the Munsif Regulation is taken away I do not agree with this contention, as CW under the Munsif Regulation, the authorities have Power to arrange for the management of the institution accordi,

according to custom and usage of the Community that governs Succession. All the records are before Government, and the Government is proceeding with the case, and it has passed orders from time to time in this respect. This fact, is not denied by the 91 plaintiffs.

4. Issue numbers 5 and 7 are set down for argument at this time, as they — according to the Respondents' contention would decide the matter about jurisdiction. Therefore, arguments were addressed on these two issues. —

5. It is conceded by both the parties that the Plaintiffs applied to Government for approval; even the previous — Swamy applied to Government for —

for approval; So also the Respondent applied for approval of Government. When all the three parties approached the Government for a decision in this matter it is not open to any of them to recede from that position and now say that this is not a Municipal matter and that Government cannot act and it is only the civil Court that can act. If the contention of the learned Counsel is that it is the civil Court which had the right to determine, who is to be the Swamy, nothing prevented the parties from approaching the civil Court directly at the earliest possible opportunity. If Courts as of the first

is filed after all the attempts by the Plaintiffs on the Mysore Side failed, the Object being now to ask for a temporary injunction to prolong the decision of the Government in this matter. Section 90, the Code of Civil Procedure says that the civil Court may take Cognizance of matters which are of Civil nature and which are not expressly or impliedly barred. Section 40 of the Religious and charitable endowments Act (Act VII of 1927) as altered by Act 1935 says. In all matters in which a Mysore officer, the Diwan Commissioner or Government has Power to pass any order or to take any decision under this Regulation, civil Courts Can exercise

exercise jurisdiction only to the extent allowed by this Regulation". It has to be seen whether the Government has in this case power to pass any order so as to put the Plaintiff out of court by virtue of Section —

Admittedly, Government have taken management of the property under Section 25(2) of the Religious and charitable endowments Regulation. The Mutt is now in the management of Government. Section 78 of the same Regulation says that when any mutt comes under the management of the Government under this chapter, as is in Section 75(7), it shall be competent for the Government to exercise all the powers

Powers possessed by the Mathadhipathi for the management of the institution or its property. Now the management of the institution as distinguished from its property, certainly in my opinion, includes the appointment of a successor to it by arranging for an election according to custom and usage. In this case it is held that Gurd has Power to pass orders and the matter actually is before the Government for orders. There is no Provision in this chapter for any suit to attract Section 11 0 A. Therefore this is a case where the jurisdiction of civil Courts is expressly barred by the above Section of this Co Act. All Suits other than those which Come as under Section 21 are barred

barred by Section 40, and this Suit being not admittedly a Suit to set aside the order passed by a revenue officer is maintainable in a civil court. This disposes of the 7th issue in the case.

Now the 5th issue is, "Whether the Suit as brought is not maintainable". We have to remember Section 42 of the Specific Relief Act. The Remarks made by the learned Chief Justice in 13 Mysore L.J. 2 at P 234 referred to by the learned counsel for the Plaintiffs were clearly obiter. The records "Bill" in the circumstances, it is not now necessary to discuss the difficult questions connected with them more in detail because, the learned Chief Justice has neither touched the matter nor given any finding

Hence, it cannot be accepted as an author for the proposition. —

Now, I shall deal with the application for temporary injunction, even though my findings on issues 5 and 7 do not call for any finding on the matter. The Plaintiff's Counsel has, contended that he has made out a Prima facie case. It is admitted that the Government are now in possession of the suit properties by appointing a Committee composing of very responsible and respectable persons and disciples - having come from mysore State to Bombay Presidency. If the Municipal Department has no jurisdiction to decide the matters which are now before me, certainly the Government

Mysore Departments order. Because it was only after His Highness had approved of his Selection that he can take management of the properties from the government and not before. Therefore there was no qualification for the fears in the minds of the Plaintiffs. Far from any attempts on the part of the Defendants to over reach the courts order, it is the Plaintiffs who have been trying to over reach the government by filing this suit. would respect the civil court. Such an attitude could not be expected as the Plaintiffs themselves also had approached the Government for a decision all these years and they could not suddenly recile from the decision and seek now a decision at the hands of the court. By passing an order of temporary injunction this court would be interfering with the consideration of the matter which is now before Government and it will indirectly operate as an order or injunction against the Government which is not a party to this suit. Because the effect of the order would be to prevent the Government from putting the defendant in possession of the properties of the mutt.

would arise only if on issues 5 and 7 Court were to hold the Suit was maintainable. As I have held that this court has no jurisdiction, there is no necessary for me to give a finding on the question of temporary injunction. Since my findings on issues 5 and 7 are, that the Suit as brought is not maintainable and that this court has no jurisdiction to entertain the Suit, I dismiss this Suit with costs. Advocate's fee Rs 100/- (one hundred).
